**THE MANAGEMENT EDGE RECOGNIZED NATIONALLY  
FOR ENTREPRENEURIAL SUCCESS**

*Named one of the Top 100 Women Owned Businesses in Florida*

Washington, DC (May 24, 2011) - DiversityBusiness.com named The Management Edge, Inc., one of the Top 100 Woman Owned Businesses in Florida.

The DiversityBusiness.com list has become one of the most recognized and respected compilations of companies that truly differentiate themselves in the market place in a time when diversity has never been more important.

The Management Edge® is an organization development and training firm specializing in workplace interactions, team building, conflict resolution and change management. It provides services for its corporate and Federal clients throughout the US and Europe. The Management Edge consultants are seasoned, highly skilled, organizational development, management and training professionals at the top of their field.

Waldron calls her company, founded in 1986, a “not for profit only” business, believing strongly that the business is about more than just making a living, but making a living in an ethical way that genuinely improves the situation of the client, the company, and the community.

Waldron gives back to the community through her involvement as a National Founding Partner of Women Impacting Public Policy (WIPP). WIPP is a national nonpartisan public policy organization that advocates for and on behalf of women and minorities in business in the legislative processes, creating economic opportunities and building bridges and alliances to other small business organizations. She also is a member of the National Association of Women Business Owners, and is active in the Women’s Business Enterprise National Council (WBENC), which certifies businesses as genuinely women owned and managed.
